Hull Hospital for Women.

ANNUAL REPORT

For the Year ended 31st March, 1929.

THE Board of Management has pleasure in presenting this, its Forty-first Annual Report, for the year ended 31st March, 1929.

At an Extraordinary General Meeting held on the 17th July, 1928, it was decided to change the name of the Hospital, and that it should henceforth be known as the Hull Hospital for Women, the words "and Orthopædics" being dropped. This change is the last step in a process which began many years ago. When founded, this Hospital was exclusively concerned with orthopædic work. Gradually, from a variety of causes, personal and otherwise, the work changed in character, until at last the orthopædic work became almost negligible and the medical and surgical, principally surgical, treatment of women took its place. In recognition of this the hospital became known as the Hull Hospital for Women and Orthopædics. It was thought better for the sake of maintaining continuity, not to drop the original title completely. At last the transformation is complete, and the name of the Hospital now accurately describes its functions.

The work of the Hospital has been fully maintained, as

is shown by the following table, which gives the figures for the year under review and the preceding year :—

	1928-29.	<i>Previous Year.</i>
IN PATIENTS. No. of :	191	189
Operations.....	219	198
OUT-PATIENTS. No. of :	276	217
Attendances	1655	1356
Operations.....	16	15
Examinations	66	42

Particulars of the operations appear in Appendix “ A.”

The Board regrets to have to record the death of Mrs. Percy Mayfield, who was appointed a member of the Board of Management in 1926, and always evinced a sincere interest in the Hospital and its work, so long as health permitted.

There have been several additions to the staff during the year. Dr. Louis Lavine, M.D., B.Sc., M.R.C.P.(Lond.), M.R.C.S.(Eng.), has been appointed Hon. Consulting Physician, and Mr. David Hyslop, M.B., Ch.B.(Glasgow), F.R.C.S.(Edin.), has been appointed Honorary Assistant Surgeon. Mr. Hubert Peter Robson in August last was appointed Assistant Honorary Secretary.

In order to meet the convenience of out-patients an additional out-patient day has been appointed, and there are now four out-patient days a week, namely, Monday, Tuesday, Wednesday and Friday.

The outstanding event of the year has been the purchase of a site on the Cottingham Road, Hull, for the erection of a new hospital. The inadequacy of the present and the need for new buildings has been talked of for many years, and has been referred to from time to time in these annual reports. A number of sites and houses were from time to time inspected, but nothing that was offered seemed particularly suitable. At length a site of about three acres on the Cottingham Road was offered by Mr. Thomas

Smith, and after full consideration it was unanimously decided to purchase it for the sum of £1100, Mr. Smith very kindly recognizing the fact that it was required for a charity in the price he was willing to accept. It is particularly gratifying to the Board to be able to record that the cost of the purchase was raised by members of the Board and a few friends without any wider appeal.

Having acquired the land, the next question was the buildings to be erected thereon. Accordingly, a sub-committee has been appointed to obtain plans and estimates for the erection of a hospital and for making a public appeal for funds. This sub-committee consists of the Chairman of the Board (Mr. Gosschalk), Miss Ethel Askew, Mrs. Boyd, Mr. Bricknell, Dr. Cameron, Dr. Gavin Brown, Mr. Jordan, Mr. Ostler and Mr. Stuart. Mr. H. P. Robson has consented to act as honorary secretary of this committee.

In due course and when other pending appeals are out of the way, a public appeal will be made for funds to erect a building adequate to the work that is now being done, and giving scope for such reasonable expansion as may be called for by the growth of the city.

For many years the hospital premises have been subject to a mortgage of £750 in favour of the Trustee of Mrs. Wigram's marriage settlement. This mortgage has carried interest at the very low rate of 3 per cent. per annum, a rate much below the market rate, and naturally only continued owing to the generous consideration of Mrs. Wigram. During the year Mrs. Wigram intimated, through her solicitors, that she did not wish to receive any further sum by way of interest on this mortgage. This generous gift of £22 10s. od. a year is very highly appreciated. That Mrs. Wigram's generosity may not be lost sight of, it has been decided to treat this yearly interest as a contribution by Mrs. Wigram, year by year, to the Building Fund.

In addition to the contribution to the price of the land already referred to, various donations by way of gifts and

special efforts have been made to the Building Fund. Particulars of all these appear as part of the Financial Statement.

Various friends have organised special efforts on behalf of the Hospital. In July last, Mrs. Ostler, with the assistance of Miss Robins, gave a garden party at Hessle, which realised £104 1s. od. In November last Miss Olga Fisher organised a dance which realised £12 17s. od. In December last Mrs. Fred Harland gave a Bridge Party, which realised £12 10s. od., and the Hull Ladies' Golf Club a Bridge Drive, which realised £25 17s. 6d.

In January a dance was given by the Lord Mayor (Councillor Benno Pearlman) and Mrs. Pearlman at the Guildhall, at their own cost, the whole of the proceeds of sale of the tickets being divided between this Hospital and the British Legion. Owing to this generous action the Hospital received £105. Mrs. Tinley Sissons organised a Bridge Party, which produced £8 8s. od. The employees of Messrs. G. & T. Earle, Ltd., a Whist Drive, which produced £5 15s. 6d., and Miss Cunningham an Entertainment, which produced £7 10s. od. In February, Mrs. Robson gave a Bridge Party at the Guildhall, which realised £42 15s. od., and in March, Mrs. G. Ashton, of Cottingham, a whist drive and dance, which produced £16 5s. od., and Mrs. Stewart a whist drive at Nafferton, which produced £7 2s. 6d. In November the Matron organised a Pound Day, which produced 1100 lbs. in goods and £32 6s. 6d. in cash.

Messrs. T. J. Smith & Nephew, Ltd., have kindly repeated their usual gift of dressings to the value of £5.

Numerous gifts of many kinds have been received during this year. A list of these appears in Appendix "B." For all these the Board tenders to the donors its sincere thanks.

H. J. GOSSCHALK,
